SUBJECT: PORTLAND GENERAL ELECTRIC: (Advice No. 12-18) Revises Schedule 145, Boardman Power Plant Operating Life Adjustment.

STAFF RECOMMENDATION:

I recommend that Portland General Electric's Advice filing be approved.

DISCUSSION:

Portland General Electric (PGE or Company) made this filing to revise Schedule 145, the Boardman Power Plant Operating Life Adjustment. The purpose of this filing is to update the Schedule 145 prices consistent with the updated Boardman depreciation revenue requirements for 2013. In this update, PGE is using the same depreciation and decommissioning parameters previously approved in Commission Order No. 11-242.

A Schedule 7 Residential customer consuming 900 kWh monthly will see a bill decrease of approximately \$0.04.

PROPOSED COMMISSION MOTION:

Portland General Electric's Advice filing be approved.
