## Do you have difficulty communicating on the phone?

**TDAP loans specialized communication equipment at no cost and with no income restrictions to eligible Oregon residents who have a disability in hearing, vision, speech, cognition or mobility.**

**Apply today!**

The **Oregon Public Utility Commission (OPUC)** has a program, known as the **Telecommunication Devices Access Program (TDAP)** that

loans specialized equipment at no cost to qualified Oregon residents (ages 4 and up), who have difficulty communicating on the phone. If you have a disability in hearing, speech, vision, cognition, or mobility, applying is easy!

Just complete the enclosed application, including certification of your disability in section D, and return it to us. Once approved, you will receive a letter within 1 to 2 weeks to let you know when to expect delivery of your equipment.

If we have concerns about your application, we will contact you.

Can't find what you need?  
Call us at 1-800-848-4442 to discuss available options.
